At Frankfort.

It is developed in the lumber robbery at Frankfort that the trusted convict received one dollar out of each eighteen dollars he assisted in stealing from the State, and that his profits amounted to about two hundred dollars per month. There are plenty of people who would like to serve in the penitentiary on similar terms.—[Louisville Times.]

At Washington.

SENATOR DEBOE says that "matters demanding his personal attention" have prevented a study of the tariff bill, but he is at least prepared to announce that he will ask for a duty of one cent a pound on jute for the benefit of the Kentucky hemp grower.

The State Department has received a report from Consul General Lee on the condition of affairs in Cuba. He says there are more insurgents in Cuba now than when he went to the island.

Watching for Plums.

THE McKinley plums are ripe at Washington and scores of impatient Kentucky patriots are lingering at the Capital waiting for them to drop.

Wickliffe Preston, of Lexington, son of Gen. Wm. Preston, former Minister to Spain, wants to be Consul at Marcellus, the office recently resigned by Hon. C. M. Thomas, of this county. Mr. Preston has made a favorable impression on the President.

Brutus Clay, of Richmond, will likely be appointed Minister to Switzerland.

Sam'l J. Roberts will be collector in the Lexington district, J. W. Yerkes in the Richmond district, and E. T. Franks in the Owensboro district.

The U. S. Marshals may go to Dr. James, though K. J. Hampton, of Winchester, is making a strong fight for it. Yesterday President McKinley nominated John H. Meyers to be postmaster at Newport, and Jas. I. Stephens for the Hickman postoffice.

Twenty-two Kentucky postmasters were appointed yesterday.

THE Louisville Times says: "Like our Gov. Bradley, Tennessee's Chief Executive is indulging some mysterious talk about resigning, but whether for the purpose of hypnotizing his friends or hoodwinking his enemies is not yet clear. Like the great mass of officeholders, Govs. Taylor and Bradley never resign and seldom die."

It is said that Gen. Longstreet is to be appointed U. S. commissioner of railroads. The salary is \$4,500 per annum.

Gov. BRADLEY and Adjutant General Dan Collier are in Washington.

The Mexican Veterans.

THE Mexican War Veterans held an exceedingly pleasant reunion Wednesday at Cynthiana. They were entertained in handsome style, a ball, a banquet and a concert being given in their honor. Col. Craddock, of this city, was present, of course, and danced a quadrille and Virginia reel at the ball. Several of the other "boys" also danced.

The veterans elected the following officers: Gen. E. H. Hobson, President; W. T. Bond, Vice President; J. G. Craddock, Secretary.

The Association meets next year at Harrodsburg.

An Excellent Production

Mr. August Gutzeit and his opera company of Lexington Elks achieved a splendid success Tuesday night at the Paris Grand Opera House in presenting the comic opera "Ship Ahoy" in such admirable style. The production would have done credit to a professional company and the Parisians who saw the opera were highly pleased. The opera was applauded by a fashionable audience which would have been larger but for the heavy rain which fell just before eight o'clock. The leading female roles were charmingly sung by the three pretty Cincinnati ladies, Misses Jennie L'Hommedieu, Ida Pierpont and Lillian Morecraft, who made decided hits, and won encores and floral offerings. Mr. Bernard Nelms' "Lieutenant Lollypop," Mr. Frank Hutchinson's "Col. Mulberry Mapleson," Mr. Richard Vandever's "Commodore Columbus Cook," Mr. Marshall Guernant's "Ensign Toddlers" and Mr. Sydney Hughes' "Simpson Christy" were excellent characterizations. The choruses were composed of Lexington young men and some of them, notably Alfred Brent and Gib Kimbrough, made comely girls, tastefully attired. The opera was well staged, and was altogether a very pleasing presentation which redounds credit upon Mr. Gutzeit, the musical director, and the people of the company. The orchestra, with Saxton in it, added to the excellence of the performance. The company came to Paris on a special train and returned home after the opera. "Ship Ahoy" will delight Mr. Sterling theatre-goers to-night.

I have more wall-paper than any Kentucky dealer outside of Louisville. Handsome patterns all of them.

Depression of Spirits

so common in summer-time, accompanied by loss of energy, lack of thought-power, means a deficient supply of nourishment. The vital force is lost. It isn't a question of muscle and sinew, but of resistance and endurance. At any age, but especially in youth, it involves the risk of lung disease. Loss of flesh and a cough are threatening signs.

Scott's Emulsion

of Cod-liver Oil, with the hypophosphites, meets these cases perfectly. It tones up, fattens and strengthens.

In Scott's Emulsion the taste of the oil is fully disguised, making it almost as palatable as milk.

Ministers Should Use Dr. Miles' Heart Cure.

THERE IS NO PROFESSION, whose labors so severely tax the nervous system, as that of the ministry. The derangement of the nerve centers of the brain by overwork, frequently brings on attacks of heart trouble, and nervous prostration.

Rev. J. P. Kester, M. D., Pastor U. B. church, London Mills, Ill., himself a physician, writes Feb. 28, 1895: "Heart affection and nervous prostration had become so serious last fall that a little over work in the pulpit would so completely prostrate me that it seemed certain I must relinquish the work of the ministry entirely. Heart palpitation became so bad that my auditors would ask me if I did not have heart disease. Last November I commenced taking Dr. Miles' New Heart Cure alternately with Dr. Miles' Nerve and derived the greatest possible benefit. I have just closed revival work of 10 weeks, preaching nearly every night and twice on the Sabbath. I can speak for hours without suffering as I formerly did. Hard working ministers should keep Dr. Miles' grand remedies on hand."

Dr. Miles' Heart Cure is sold on guarantee, first bottle will benefit or money refunded.
